EXPLANATION

Figures include only the freight charges (foreign line proportion as well as Milwaukee proportion) on all freight business originated and terminated at the stations reported and does not include any freight charges on business interchanged with foreign roads or water lines at the stations reported.

The station numbers are those used by the Auditor of Freight Accounts. Figures in parenthesis after the names of closed stations indicate the adjacent stations handling the accounts. The letter H indicates headquarter station for dualized agency stations.

Population of towns or villages taken from Rand McNally Commercial Atlas and Marketing Guide - 101st Edition - 1970 - based on U. S. Department of Commerce 1960 Census, corrected for unusual changes.
